The main HQ in Colin McRae: DiRT 2 is a motor home where you have access to all of the games features.. As requirements the game will need approximately 35 GB free space, 4 GB Ram and an i3 processor should be perfect in order to run the game without any lag.. All this made the game to be loved by a lot of people DiRT Rally Mac Version has been tested and can be played on any iMac or MacBook.

The gameplay is also excellent, although it's not easy to master at first The soundtrack and music complement the game perfectly alongside your co-pilot who tries to guide you with hints and tip about how to take corners and precarious parts of the course.. There's also a an online multiplayer mode A steering wheel would help you get a lot more out of the game and the keyboard controls aren't great in Colin McRae: DiRT 2 but overall, it's an excellent racing game for Macs.
